## **InterCement New Chairman**

São Paulo, SP, Brazil - InterCement Participações S.A. informs that Mr. Franklin Feder resigns from the Board of Directors of InterCement. After nearly 3 years, Feder concludes this cycle during which he played an extremely relevant role for the Company. InterCement would like to thank Mr. Feder for his important contribution and wishes all the success in the new endeavor.

Additionally, InterCement informs that Mr. Wilson Nelio Brumer will assume the position of Chairman of the Board of Directors of InterCement Participações. Graduated in Business Administration, with several development programs in Brazil and abroad, Mr. Brumer developed a robust career as CEO at Vale, Acesita and Usiminas.

Mr. Brumer brings great experience as Chairman and (or) member of the Board of Directors of several important companies such as BHP Billiton, Cemig, CCR, Direcional Engenharia, Embraer, Localiza, Metso and Fundação Renova. Currently, Mr Brumer is the President of the Board of the Brazilian Mining Institute (IBRAM) and, since April 2020, Chairman and CEO of our controlling shareholder, Mover Participações S.A.

Mover Participações reiterates its strong commitment to InterCement, and is confident that Mr. Brumer provides strong leadership for InterCement for this new cycle.
